Hello, Mom! Surprise! I'll be spending the whole weekend here! Hey, dad!

Oh, my Lord! My baby! What have you done to your face!

What? This. Oh come on, mom. Beards are cool again, don't you know that?

Listen, Peter. I don't know what your girlfriend thinks about this or your boss, but, as your mom, I have to be completely honest. You just look **shaggy**...

Shaggy? Ha ha. This is barely a **stubble**... I'm sorry, mom. But I like it and I'm keeping it.

Oh. Peter, honey... You know how I feel about **facial hair**. It doesn't look good on you. In fact, it doesn't look good on anybody! You look so much better when you're **clean-shaven**... George, tell him something.

Oh, Margaret... He's fine.

Hey, I'm serious... Honey, please...

Fine. Let's make a deal then... I shave but... you promise you won't mention this again.

Absolutely!

Not even a word about it? For the whole weekend?

I promise! If you shave, I'll shut up about it and not bother you anymore.

Okay, deal! Just give me a second.

[Door opens]

Oh, goodness gracious. Peter! What have you done?

What? You said I should shave. Well. I shaved. Happy now?

You shaved your head!

Not the whole head...

Yeah, I can see that. Just the front. Why would you do that?! Now it looks like you have a **receding hairline**. Oh come on, get back into that bathroom and- Mom, we had a deal. I shave and we don't talk about it. George! Say something!

Ha ha ha. You're really smart, son. Ha ha ha. Really smart.

**Shaggy** - You just look shaggy...

- If you have shaggy hair or a shaggy beard, is your hair long or short?
- Is it tidy or untidy?
- What do you think when you see someone with shaggy hair or a shaggy beard?

**Stubble** - This is barely a stubble...

- If someone has a stubble, do they have hair on their face or not?
- And how long is that hair?
- If you're a man, do you like how a stubble looks on you? If you're a woman, do you like a stubble on a guy?

**Facial hair** - You know how I feel about facial hair.

- Where does facial hair grow?
- How is facial hair seen in your culture / country now?

**Clean-shaven** - You look so much better when you're clean-shaven...

- If a man is clean-shaven, does he have a beard?
- What about a mustache?
- Can you say a child is clean-shaven?
- Think about your friends? Are most of them clean-shaven or do most of them have a beard?

**Receding hairline** - Now it looks like you have a receding hairline.

- If you have a receding hairline, is your hair falling or growing?
- And if you have a receding hairline, in which part of your head is the hair missing?
- Do you have a receding hairline or do you know someone who does?
