So, Sammy. There's a reason why I've asked you to come. There's something I've gotta confess... I haven't **cleaned out** my closet in forever and now it's gotten to the point where I don't even know where to begin. I mean... It's a **mess**... And since you're **tidy** and organized, I thought maybe you could help me but I'm so embarrassed...

Oh, c'mon. It can't be that bad. Open the door, let me see. Jeez, Hanna! What is this?
I told you!

There's a lot of work to do here. This is ridiculous, Anna! Why would you keep all this stuff?! I know, I know. I just don't want to throw anything away. But you can, you have my permission to do what you have to do to make this room look like a closet again.

Alright, just pass me the gloves. Okay, just leave, go get a smoothie or something and come back in a couple of hours, okay? Okay! Let's get to work! [Clock ticking]

Sammy... I'm back.

Oomph! Just in time! Alright, look! Doesn't it look a lot better? It looks so much bigger, too!
I- Yeah. Because it's empty.

Oh, yeah... I **Marie Kondo-d** the whole closet!

So, you basically **threw out** all my clothes.

Well, I mean, I just threw out the things that didn't spark joy, you know, that didn't make you happy.

But- But- What am I going to wear now?

I mean, you can wear this dress. This is cute.

What if I want to wear pants?!

Uuh... Alright, I think we need to go shopping.

Clean out - I haven't cleaned out my closet in forever.

- What does cleaning out a place or a room involve? Using cleaning products or removing stuff?
- What happens to the stuff that's removed?
- Are there any rooms or places in your house that need to be cleaned out?

Mess - It's a mess...

- If a place is a mess, is it organized or disorganized?
- And how disorganized is it?
- Is the place where your work organized or is it a mess?

Tidy - And since you're tidy and organized, I thought maybe you could help me

- If a place is tidy, is it organized or disorganized?
- If a place is tidy, does that also mean it's clean?
- What is the tidiest room in your house right now?

Marie Kondo - I Marie Kondo-d the whole closet!

- If you Marie Kondo something, do you organize it or do you remove stuff?
- What is the principle that you need to follow when Marie Kondoing something? Throw away everything and start over or throw away only the things that are not really important to you?
- What do you think of this idea of Marie Kondoing your things, do you think it makes sense or do you think it's too extreme?

Throw out - So, you basically threw out all my clothes.

- If you throw out something, where do you place it?
- Why throwing something out?
- What was the last thing that you threw out? Why did you throw it out?
