I'm not a great driver, okay? I've never been but I try to drive safely. Yesterday I got distracted, only for a second, I promise. I checked my phone and as I did... BOOM. I **hit** something or... someone with my car. I panicked and instead of stopping I started driving even faster. I know that's considered a **hit-and-run** but I got so scared I couldn't even think properly! I drove a couple more miles and I thought maybe I had imagined it all. But I hadn't, right behind me there was a police car getting closer and closer. Just as I'd expected, I **got pulled over**. waited for the officer to come talk to me. I was about to cry, to tell him that yes, it had been me, that I was guilty, that I was a horrible person. But, to my surprise, he simply said 'I don't know if you realize it, miss, but you **were speeding** so, I'm sorry, but I'm going to have to **give** you **a ticket**. Oh and, by the way, you should check your car, make sure it's fine, I noticed you hit a big rock back there.' That's right. A stupid rock!

**Hit** - I hit something or... someone with my car.

- If you hit someone with your car, is it because the car was moving quickly or slowly?
- Can you die if a car hits you?
- Have you ever been hit by a car? Or have you ever hit someone?

**Hit-and-run** - I know that's considered a hit-and-run...

- If an accident is a hit-and-run, does the driver stop to help the victim?
- What are the reasons for not stopping?
- Have you ever witnessed a hit-and-run? What do you think the punishment should be?

**Get pulled over** - I got pulled over.

- If you get pulled over, do you stop the car or go faster?
- Where do you stop the car, in the middle of the street or on the side?
- By whom can you get pulled over?
- Have you ever gotten pulled over?

**Speed** - You were speeding...

- If you are speeding, are you going slower or faster than legally allowed?
- Can you speed while driving? What about riding a bike? And walking?
- What's a good punishment for speeding?

**Give a ticket** - I'm going to have to give you a ticket.

- If someone gives you a ticket, do you have to pay money or not?
- Who can give you a ticket?
- Why would someone give you a ticket?
- Has a police officer ever given you a ticket?
